Product information
Camping Quick Paint Care

PI 3/10/19/2026

Description
Premium gloss sealing spray with innovative protective formula for fast, waterless paintwork care between treatments. Effortlessly removes light soiling such as dust, fingerprints or water spots from all smooth surfaces on motor homes, camper vans, RVs, and passenger cars and leaves the paint with a brilliant deep gloss. Seals smooth surfaces for several weeks and provides an excellent water repellent effect. Provides long-term protection against aggressive environmental influences and reduces new dirt adhesion.

Properties
- excellent water repellent effect
- quick and easy to use, without water
- effortlessly removes light soiling
- innovative protection formula
- prevents immediate re-contamination
- suitable for paint, GFRP and polycarbonate
