Product information
Fabric Care & Protect

PI 35/09/29/2026

Description
Seals and impregnates fabrics and is thus ideal for universal moisture and stain protection. Reliably repels water and protects against oil and grease spots and soiling, e.g. due to pollen or bird droppings. Keeps the fabrics pliable and breathable.

Properties
- silicone-free
- very water-repellent
- prevents the formation of spots and patches
- impregnates

Technical data

Base	ketones, preserving agents
Color / appearance	colourless
pH value	n.a.
