

Tornador Gun spare hoses

Description

Both the rotary hose with reinforcements and the inner hose part of the Tornador Gun are subject to normal wear. The spare part kit comprising both hoses serves to replace them if necessary.

Areas of application

Replacement hose for Tornador Gun from LIQUI MOLY (part no. 29077).

Comment

The installation of the spare hoses can be found in the operating and repair instructions. This is included in the scope of delivery.
