

Skin Protection Cream

Description

Dirt-repellent, washable skin care cream. Ideal in the event of contact with aqueous and non-aqueous substances. Special inorganic protective pigments prevent many substances from making contact with the skin and reduce penetration into the skin by dirt. Facilitates cleaning through the addition of dirt-binding components and skin-friendly, mild surfactants. Consistent use can help to reduce skin-related illnesses and absences. Does not contain silicones, preservatives or fragrances.

Properties

- non-toxic
- pH-neutral
- silicone-free
- neutral to skin
- dermatologically tested
- is quickly absorbed without leaving a greasy residue
- moisture dispenser
- free of preservatives and fragrances
- contains anti-inflammatory extract of hamamelis (witch hazel)
