Pro-Line Gearbox Interior Cleaner

Description

A selection of acetone-free solvents for the rapid, efficient cleaning and degreasing of gearboxes and transmission housings in the automatic transmission range. The low surface tension of this product means that this cleaner has excellent penetration properties and can easily dissolve oil, grease, resin and tar residues and contaminants, even in hidden areas. After the solvent has evaporated, the surface is left free of grease and residues.

Properties

- high proportion of active components
- low surface tension
- controlled evaporation free of residues
- leaves no residues
- easily dissolves stubborn dirt
- contains no acetone

Technical data

Color / appearance	colourless
Base	solvent-mixture, acetone-free
Form	liquid, aerosol
Propellant	CO2
Shelf life in original sealed container	60 months

Areas of application

For cleaning all gearboxes and automatic transmission housings. The product's dry formula makes it ideal for electronic components.

Application

Spray into contaminated interior components and allow to drain. After the solvent has evaporated, the components will be clean and free of grease. Do not use on hot surfaces.

Available pack sizes

500 ml Can aerosol	5188 DE-EN-ES-IT-PT
