

Bike Chain Oil Dry Lube

Description

Outstanding long-lasting lubricant for the bicycle chain. Specially designed for dry and dusty conditions. Contains a selected combination of active ingredients that offer extreme wear protection as well as high penetration and adhesive properties. Tangibly reduces the friction of the chain and ensures particularly quiet operation.

Technical data

Base	synthetic oil, special additives
Color / appearance	pale brown
Density at 20 °C	0,9 g/ml
Water soluble	insoluble
Shelf life in original sealed container	24 months

Areas of application

Specially designed for lubricating and maintaining bicycle chains in dry and dusty conditions. Also suitable for e-bikes.

Comment

Avoid contact with brakes!

Application

Clean the chain with Bike Chain Cleaner (part no. 6054). Then apply Bike Chain Oil Dry Lube thinly to the dry chain. Wipe off any excess. Any deposits remaining after shaking will not impair product quality and can be disregarded.
