

Bike Chain Spray

Description

Universal long-lasting lubricant for bicycle chains. Suitable for both damp, dirty conditions and dry, dusty conditions. Displaces moisture, repels water, ensures exceptionally smooth operation, and offers outstanding penetrating action and adhesion. Protects all metal parts against corrosion. Does not react with plastics, paints or metals. Plant-based and biodegradable.

Properties

- good corrosion protection
- does not attack plastics, paints and metals
- very water-repellent
- prevents squeaks
- high wear resistance
- good adhesion

Technical data

Base	natural oils, special additives
Color / appearance	yellow
Propellant	propane, butane
Form	aerosol, liquid
Odor	characteristic

Areas of application

Specially formulated to lubricate and maintain bicycle chains in both wet and dry conditions. Also suitable for e-bikes.

Comment

Avoid contact with brakes!

Application

Clean the bicycle chain with Brake and Chain Cleaner (Part no. 6054) before use. Then shake the chain spray well and apply a thin coat to the dry chain. Wipe off any excess.
