Product information
Motorbike Chain Spray

PI 58/11/05/2026

Description
Fully synthetic, adherent and waterproof chain spray with a wide application range. Suitable for both on- and off-road driving. Offers an outstanding creep and lubricating effect, reduces chain elongation, and extends the chain's service life. With complex ester technology.

Properties
- friction and wear reducing
- highest load-carrying capacity
- excellent adhesion
- outstanding corrosion protection
- resistant to acceleration forces
- reduces chain elongation
- especially cold, hot and splash-water resistant
- excellent penetration action

Technical data

Base	Synthetic oil, additives
Color / appearance	clear, yellowish
Operating temperature range	-30 bis +180 -30 to +180 °C
Odor	characteristic
Form	liquid, aerosol

Areas of application
For initial and maintenance lubrication of power-transmission chains with and without O-rings and X-rings.

Application
Before use, clean the chain with Motorbike Chain and Brake Cleaner (part no. 1602). Then shake the can well and spray the chain. The lubricant attains its final consistency and adherence once the solvent has evaporated.

Available pack sizes

250 ml Can aerosol	1508 DE-EN
250 ml Can aerosol	5962 DE-ES-FR-IT-NL-PT
250 ml Can aerosol	20741 DA-EL-FI-NO-SV
400 ml Can aerosol	21714 DE-EN-ES-PT
400 ml Can aerosol	21715 DE-EL-FR-IT
