

Marine Detailer

Description

Highly effective gloss sealing spray with innovative protective formula. For fast, easy care of painted surfaces without polishing. Removes light soiling such as dust or water spots and gives a brilliant deep gloss. Seals smooth painted surfaces for several weeks and provides excellent water repellent effect and long-lasting protection against aggressive environmental influences. Maintains the cleaning finish for an extended period and reduces new dirt adhesion.

legally binding.

Properties

- innovative protection formula
- excellent water repellent effect
- removes light soiling
- simple to use
