

## Marine 2T DFI Motor Oil

### Description

Semi-synthetic high-performance 2-stroke motor oil developed with state-of-the-art agents specifically for use with late generation, high stress direct fuel injection marine engines. Ensures optimum lubrication and prevents deposit build-up even at high operating temperatures to allow maximum engine life and lowest emission values.

### Properties

- outstanding engine cleanliness
- optimum lubrication under all operating conditions
- excellent corrosion protection
- for separate and mixture lubrication

### Specifications / Approvals
