

Product information

LM-40 Multi-Purpose Spray

PI 8/21/04/2015

Description

LM 40 Multifunction Spray is a combination of different agents with excellent corrosion protection, rust removing, water-displacement properties as well as an outstanding lubricating effect. In addition to this, LM 40 Multifunction Spray also improves electrical conductivity at contacts and removes dirt and stubborn oil and grease residues. Due to the combination of agents in the product, moving parts can be kept operational in all areas. The product gives off a pleasant aroma from the coconut fragrances contained in the formulation.

Properties

- optimum penetration properties
- dissolves rust
- good water resistance
- lubricates and maintains
- good corrosion protection
- improves electrical conductivity
- releases dirt
- friction and wear reducing
- silicone-free
- keeps moving parts from seizing up
- does not attack plastics, paints, metals and wood
- universal application

Technical data

Form	flüssig / liquid
Base	Ölkombination, Wirkstoffe / combination of oils, agents
Color / appearance	braun / brown
Odor	charakteristisch / characteristic
Density at 20 °C	0,84 g/cm ³
Viscosity at 40 °C	< 7 mm ² /s
Flash point	62 °C
Solubility in water	löslich / soluble
Operating temperature range	- 40°C bis + 140 / - 40°C to + 140 °C
Spreading rate (cover)	Stahlblech, blank 140-180 / sheet steel, bright 140-180 m ² /l
