Available pack sizes

1 l Bottle plastic	1545 D-GB-I-E-P
20 l Canister plastic	7509 D

Our information is based on thorough research and may be considered reliable, although not legally binding.

Areas of application

Used especially for the gentle but thorough cleaning of paint surfaces to leave a sheen.

Application

Remove significant accumulations of dirt under high pressure or with a water jet before use. Shake bottle vigorously before use. Then mix the appropriate quantity with water. 40 ml (approx. 1 cap) is sufficient for 8 l of water. Apply the shampoo using a sponge to the paintwork to be cleaned and spread it out. After this, rinse well with water and leather the surface.
