

Product information

Plastic Deep Treatment Lotion

PI 11/18/06/2018

Description

Plastic Deep Treatment Lotion was specially developed to protect, treat and enhance the appearance of all plastic components on the motor vehicle. Plastic Deep Treatment Lotion gives even the most badly weathered plastic surfaces a matt-silk deep sheen which repels dust, dirt and water as well as giving the plastic anti-static properties all in a single process. It is the optimum protection against aggressive environments and UV radiation.

Properties

- protects and cares for all plastics
- repels dust, dirt and water
- simple to use
- produces a matt-silk deep sheen
- can be used for inside and outside storage
