

## Truck Series Complete Gasoline System Cleaner

### Description

An effective mixture of additives to clean and maintain the fuel system of port injected and carbureted gasoline engines. Cleans injectors, the combustion chamber and protects against corrosion. Restores proper fuel atomization and improves engine efficiency. Regular use keeps the fuel system in perfect working order.

### Properties

- cleans the injection system as well as the intake
- improves performance
- prevents corrosion
- normalizes fuel consumption and exhaust emissions values
