Bike Brake and Chain Cleaner

Description

Highly effective cleaner with special combination of solvents. For the rapid cleaning and degreasing of chains and disk brakes on bicycles. Particularly effective on oily and greasy dirt.

Properties

- high proportion of active components
- optimum penetration capacity
- removes oil and grease-based contaminants
- leaves no residues

Technical data

Color / appearance	colourless
Base	solvent-mixture, acetone-free
Form	liquid, aerosol
Propellant	CO2
Shelf life in original sealed container	60 months

Areas of application

For cleaning and degreasing chains and disk brakes on bicycles and e-bikes.

Comment

Avoid contact with paint surfaces!

Do not lay rubber components in a container with cleaning fluid to clean them as they may be attacked.

Application

Spray generously onto bicycle chain and catch excess fluid. Then leave to dry for 10 minutes. Then treat with chain oil or chain spray. Spray generously onto the disk brake system and catch excess fluid. Then leave to dry for 10 minutes.
