

## Robotic lawnmower cleaning and care spray

### Description

For cleaning robotic lawnmowers without scratching or leaving streaks. Maintains and protects plastics against UV radiation when used regularly. Prevents embrittlement and bleaching out of the material.

### Properties

- care and protection
- cleans without leaving streaks
- has a lasting effect

### Technical data

Form	liquid
Color / appearance	colourless, clear
pH value	7,6
Flash point	>65 °C
Density at 20 °C	0,997 g/cm <sup>3</sup>
Odor	perfumed
Shelf life in original sealed container	24 months

### Areas of application

Suitable for all robotic lawnmowers. Can also be used for robotic vacuum cleaners. Do not use on hot surfaces or in direct sunlight. Store free of frost.

### Application

Test for compatibility in an inconspicuous place before application. Spray parts to be cleaned. Do not let the spray film dry. Instead wipe it off directly with a clean microfiber cloth and rub it dry. Repeat cleaning process if necessary. Do not use on hot surfaces or in direct sunlight. Store free of frost.
