Camping Rain Streak Remover

Description

Effortlessly removes unsightly rain streaks, bird droppings, insect residues, water spots, etc. on camping vehicles in one operation without water and at the same time seals their surface with carnauba wax. Leaves a brilliant shine with outstanding depth of color, smooths out light scratches and optimally seals the paint against damaging environmental influences.

Properties

- silicone-free
- waterless application
- effortlessly removes rain streaks and seals the surface in one step
- suitable for all smooth plastic, GFRP, chrome and painted surfaces
