

Quick Detailer

Description

Highly effective gloss sealing spray with an innovative protective formula. For quick and easy paintwork care without polishing. Removes light soiling such as dust or water spots and gives the paintwork a radiant deep sheen. Seals smooth paintwork for several weeks and provides an excellent water repellent effect and long-lasting protection against aggressive environmental influences. Maintains the freshly cleaned appearance for an extended period and helps prevent dirt from adhering again. With a pleasantly fruity mango scent.

Properties

- simple to use
- innovative protection formula
- excellent water repellent effect
- removes light soiling
- protects against aggressive environmental influences
- prevents immediate re-contamination

Technical data

Form	liquid
Color / appearance	rose
Odor	pleasant
pH value	8,5
Density	0,99 g/cm ³
Shelf life in original sealed container	24 months

Areas of application

For smooth paintwork on cars, commercial vehicles, two-wheeled vehicles and boats. Can also be used on smooth plastic surfaces and on steel and aluminum wheels. Not suitable for matte-painted surfaces.

Comment

Caution: Do not spray onto hot surfaces or use in direct sunlight!

Application

1. Remove heavy dirt beforehand. No pre-cleaning is necessary for dust or water spots. 2. Shake well before use. 3. Then spray evenly onto the paint surface and wipe off with the Super Soft Microfiber Cloth (Part No. 21892). Can also be applied to damp paint. Note: Do not allow the product to dry. Do not spray onto hot surfaces or use in direct sunlight!
