

Motorbike Kettenspray Offroad

Description

High-performance chain spray for extreme off-road conditions. Provides ideal protection for the chain against dirt buildup in dusty and muddy conditions. Its combination of highly effective solid lubricants and complex ester technology provides excellent wear protection and ensures minimal friction and maximum chain life. Provides optimal creep resistance and excellent corrosion protection. Colored green.

Properties

- considerably reduces friction and wear even under extreme loads
- highest load-carrying capacity
- prevents corrosion even under adverse conditions
- especially cold, hot and splash-water resistant
- excellent penetration action
- simple to use thanks to the practical flip-up spray head

and may be considered reliable, although not legally binding.

Technical data

Base	special additive combination with solid lubricants in oil
Density at 20 °C	0,845 g/cm ³
Viscosity at 40 °C	10,488 mm ² /s
Color / appearance	dark green, cloudy, slightly viscous
Form	aerosol
Odor	characteristic

Areas of application

For all motorcycles with chain drives, especially for off-road use. Especially for motorcycles with high power and high torque. Suitable for all types of chains (O-, X-, and Z-rings).

Application

Before use, clean the chain with Motorbike Chain and Brake Cleaner (Art. No. 1602). Then shake well and spray onto the chain. The lubricant attains its final consistency and adherence once the solvent has evaporated.

Available pack sizes

200 ml Can aerosol	23242 AUEN-EN
400 ml Can aerosol	21930 DE-EN-ES-PT
400 ml Can aerosol	23269 DE-FR-IT-NL
