

# JetClean Tronic II TD ASR adapter

## Description

Reducer for the JetClean Tronic II TD ASR (part no. 29067) in order to be able to secure the push-on nipple for compressed air connections differently from the standard push-on nipple.

Material: Brass

Weight: 0.06 kg

Total length: 34 mm

Screw joint: Hexagon WAF 15

External thread: G 1/8"

Internal thread: 1/4" – 18 NPT

## Areas of application

Is required in countries such as Switzerland, Thailand, Malaysia, Indonesia, etc.

## Application

Remove the push-on nipple fitted as standard on the JetClean Tronic II TD ASR (part no. 29067). Then screw in and tighten the JetClean Tronic II TD ASR adapter. Following this, depending on the country, also screw the respective push-on nipple of the compressed air network into the JetClean Tronic II TD ASR adapter and tighten it.
