Product information
Bike Chain Oil Wet Lube

PI 34/09/21/2026

Description
High-performance long-term lubricant. Offers high creep and adhesive properties, drives out moisture, and is strongly water-repellent. Protects the metal parts against corrosion and wear and ensures particularly smooth running thanks to its organic molybdenum complex technology. Does not react with plastics, paints, or metals. Ready biodegradability according to OECD guideline 301 B.

Properties
- excellent penetration action
- strong adhesive effect
- simple to use
- high capacity
- long-lasting efficacy

Technical data

Base	special additive combination with organic molybdenum complex in oil
Density at 20 °C	0,925 g/cm³
Viscosity at 40 °C	43,47 mm²/s
Color / appearance	green, cloudy, slightly viscous oil
Form	oily
Odor	characteristic

Areas of application
For lubricating and maintaining bicycle chains, especially in damp, dirty conditions. Also suitable for e-bikes.

Comment
Avoid contact with brakes!

Application
Clean bicycle chain beforehand with Bike Brake and Chain Cleaner (part no. 6054). Then apply chain oil thinly to the dry chain. Wipe off any excess.

Available pack sizes

100 ml Bottle plastic	6052 DE-EN
100 ml Bottle plastic	21779 CS-DA-DE-EN-ES-FI-FR-IT-NL-NO-PL-PT-SV-TR-UK
