

## Bike Chain Spray

### Description

Universal long-lasting lubricant for bicycle chains. Suitable for use both in damp and dirty and in dry and dusty conditions. Drives out moisture, has a water-repellent effect, ensures quieter operation and offers outstanding penetration and adhesive properties. Protects all metal parts from corrosion. Does not react with plastics, paints or metals. Plant-based, so biodegradable.

### Properties

- very water-repellent
- does not attack plastics, paints and metals
- prevents squeaks
- high wear resistance
- biologically degradable
- good adhesion
- good corrosion protection

### Technical data

Base	natural oils, special additives
Color / appearance	yellow
Propellant	propane, butane
Form	aerosol, liquid
Odor	characteristic

### Areas of application

Specially designed for lubricating and maintaining bicycle chains in both damp and dry conditions. Also suitable for e-bikes.

### Comment

**Avoid contact with brakes!**

### Application

Clean bicycle chain with Brake and Chain Cleaner (part no. 6054) before use. Then shake the chain spray well and apply thinly to the dry chain. Wipe off any excess.

### Available pack sizes

200 ml Can aerosol	20604 D-GB-E-F-I
200 ml Can aerosol	20718 GB-DK-FIN-N-S
400 ml Can aerosol	6055 D-GB-E-F-I
400 ml Can aerosol	21776 D-BOOKLET
