

Bike LM 40 Multi-Purpose Spray

Description

Universal combination of active constituents with excellent, corrosion-protecting, water-repelling, rust and dirt dissolving properties, as well as excellent lubricating effect. Excellent creep characteristics ensure penetration into even the tightest intermediate spaces. Reliably eliminates squeaking.

Properties

- optimum penetration properties
- good corrosion protection
- releases dirt
- eliminates squeaks
- silicone-free
- high load capacity
- universal application

legally binding.
