

Description

Cleans and preserves. Can easily be polished out and gives all paint finishes a smooth surface with a brilliant shine and outstanding depth of color. Evens out minor scratches and provides optimum protection of the paint against weathering. Quickly and easily removes light dirt and greasy contamination without any scratching.

Properties

- excellent long-term protection
- high gloss mirror finish
- antistatic
- protects against aggressive environmental influences
- silicone-free

Technical data

Base	waxes
Form	liquid, aerosol
Color / appearance	beige
Odor	characteristic
Processing temperature	10-25 °C

Areas of application

For paintwork care and sealing of bicycles and e-bikes.

Comment

Not suitable for matt paints!

Do not spray onto hot surfaces or use in direct sunlight.

Do not use on polycarbonate plastics or acrylic glass!

Application

Surfaces which are heavily contaminated must be thoroughly cleaned with Bike Cleaner (part no. 6053) and dried before treatment. Then spray on a thin coat of Gloss Spray Wax, let dry and polish with a soft rag or microfiber cloth. Shake can well before use.
