

# Seam Scraper

### Description

Practical metal scraper with screw-on metal locking ring. Equipped as standard with a pre-mounted blade that is 13 mm wide. Available spare blades (in packs of 10): Width 13 mm (part no. 6234), width 16 mm (part no. 6250) and width 20 mm (part no. 6258).

### Properties

- simple to use
- reduces operating costs

### Application

Thanks to the screw-on locking ring and thus easy release and replacement of dull blades, this special scraper eliminates the need for tiresome re-sharpening. Replacement blades available in three different widths.

### Available pack sizes

1 pcs Carton     6213
