Product information
Glass Cleaner

PI 25/09/15/2026

Description
Concentrated, alcohol-based cleaner for cleaning glass surfaces and other hard and smooth alcohol-resistant surfaces on buildings and vehicles, etc. Effortlessly removes tough contaminants such as oil, grease, silicone, lime and soap splatters, fingerprints, etc. Even stubborn contaminants like wax residues, paint mist and insect remains can be removed simply.

Has unique drying characteristics and thus leaves behind a streak-free and residue-free surface. Even the application cloths dry more quickly and can thereby be used for longer times.

Properties
- extremely fast drying properties
- excellent cleaning effect
- economical to use
- for indoor and outdoor use
- takes effect quickly

Technical data

Color / appearance	blue
Density at 20 °C	0,96 g/cm³
pH value	7,6
